Year 2 Class Teacher Maternity Cover Temporary Contract

We are seeking a creative, enthusiastic and dynamic Year 2 Class Teacher to join our successful and thriving school from May or September 2024. We have recently had some key leadership changes and are enjoying a period of rejuvenation, taking the school forward with exciting projects. Kiwi School is situated on the edge of the beautiful Salisbury Plain, near Bulford and Amesbury and is wonderfully unique in its characteristics. We are proud of the following:

- **We have been a consistently 'Good' school for many years**
- **We have a supportive and nurturing staff** where you will experience excellent professional collaboration and teamwork
- **We have opened a brand new SEN Resource Base** (September 2022)
- **We are part of the Salisbury Plain Super Garrison** and at the very heart of our military community, with most of our children coming from Service Families. We are really well supported by the Armed Forces, which gives the children exciting opportunities
- **We are a Local Authority school** and we cherish the spontaneity in every respect, that this allows us – we can readily respond to the needs of our children and our community, supporting them in a timely way, basing the curriculum and the learning on our unique needs
- **We have designed a Creative Curriculum**, which allows us to deliver high quality learning through exciting 'wow' experiences for the children
- **We base everything we do on building positive relationships and supporting children and families.** We highly value the need to support and promote children's well-being and emotional growth and do so through a comprehensive range of strategies and resources
- **We have a wonderfully diverse community** of which we are very proud, with children (and staff) whose roots are from all over the Commonwealth, offering a unique teaching experience in this Wiltshire School
