

## Reading at Kiwi

### Summer 2024

We are encouraging the children to take part in the Read for Good Readathon this year where they can raise money to help get books and storytellers to children in hospital, as well as some books for our own library. Please look at the link below for information, and to donate!

Children who read for fun in their spare time are more likely to lead happy, fulfilled lives.

Read for Good delivers programmes designed to support parents and professionals working with children and young people to help enable, empower and inspire a life-changing love of reading.
