parents assembly

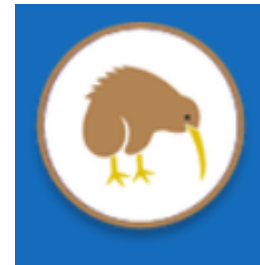

6th– 10th February—
Children's Mental Health
Week

10th February—Last day
of term 3

13th-17th February—
School Holidays

Kiwi News

Dear Parents and Carers,
It's been rather a grey, wet and windy week, resulting in difficult conditions to walk to school and children needing to spend most of the time indoors. Despite this, lots of great learning has taken place and good routines established. The children are doing really well with establishing our Best Behaviour Curriculum (BBC) – news coming soon for results of January's challenge. Sadly there was a RTA on Marlborough Road this week – so another very timely reminder to take the utmost care when driving/ walking/riding in the vicinity of school at drop off and pick up. Thank you to all those who supported with this.

Miss Susan Raeburn

Attendance

School Attendance Award Winners:

Week commencing : 3rd January 2022

Kapiti — 100%

Well done Kapiti !

Try Your BEST to be Your BEST

Clothing Bank

You may have noticed that we have a clothes bank at Kiwi – located just inside our main gate, to the side of the driveway. A reminder that all proceeds made from collecting items go to our school fund. We can take the following items: clothes, shoes (in pairs), bed linen and accessories (belts, hats, gloves, scarves and handbags) as well as any unwanted soft toys.

We cannot accept curtains, cushions/pillows, duvets, carpets/rugs, socks or used underwear, or school uniform with a logo. January is a great time for clearing out your cupboards and we would love any donations of items as listed above

Lost Property

We have a large number of unclaimed items such as hats, scarves, gloves, jumpers etc that do not have names on. Please can we remind you to label every item your child has. We will be putting lost property out in the shelter on KS1 playground on the 16th of January after school for you to come and collect items you may have lost.

School Lunches

Please ensure you have booked your Childs school lunches using our online system before the start of the school day. This is our school procedure.

Kiwi Kitchen News

A **huge congratulations** to Mrs Sovanivalu and her team in the kitchen! This week we had a surprise visit from environmental health (they are always a surprise) and the kitchen team passed this with flying colours – **achieving our 5* rating again**. We would like to thank all the kitchen and site team for keeping our kitchen and food hygiene to a high standard.

Mrs Raeburn and Mrs Wright were also invited to top table lunch with a select group of children who have shown great behaviour and have been good friends at Lunchtimes. Mrs Wright really enjoyed her school dinner as did many of the children. The quality of the food produced by our school kitchen is amazing!

For families of children aged 0-5 yrs
