Kiwi News

Dear Parents and Carers,
It's been another busy week here at Kiwi, all be it a slightly shorter one, having had the Bank Holiday on Monday. Children are well established in their routines and it is great to see activities, such as our school council, taking place again. This term, school council are looking at our playground provision and purchasing some new equipment for the children to use at playtimes. Next week is another 4 day week, as we have one of our 5 annual INSET days on Friday 30th, where we are receiving training for our new phonics scheme. Don't forget that Thursday 29th

is our Macmillan coffee morning and cake sale (Mufti for children) and you should have received a separate email about that. We would love it if you could make us some cakes!

Regards

Susan Raeburn

Macmillan Cake and Mufti Day—

We are delighted to be able to run our annual Macmillan coffee morning again after a break due to Covid. This is a charity dear to many of our hearts and for this year especially to Miss Raeburn, who will be running the London Marathon in aid of Macmillan on 2nd October. We will therefore be holding a Mufti Day (try to wear something green and suggested £1 donation!) for the children, plus a cake sale (50p a cake). In addition, we are holding a coffee morning (with delicious cakes) for parents and carers, straight after drop off (09.00 until 10.00). Traditionally this has always been a fun and social event and we would love to see you for a chat and catch up.

Also, if you would like to make us some cakes to sell we would be really grateful. If you can help us with donating cakes, please sign up on our gateway system.

We look forward to seeing you on Thursday 29th September!

FLU Vaccination

If your child is in **Year R to Year 6** from September 2022 is therefore eligible for a free Nasal Childhood Flu Vaccination.

The immunisation team will be visiting your child's school on: Monday 26th September 2022

Seasonal flu vaccination remains one of the most important public health interventions to protect individuals and prevent the spread of infection to those most at risk in society. This contributes to reduce morbidity, mortality and hospitalisation associated with flu at a time when the NHS and social care will be managing winter pressures, potentially including further outbreaks of COVID-19. For this reason, it is essential we deliver the vaccine to as many children as possible.

Full information about this live vaccination, including frequently asked questions and access to the NHS England information, are available when accessing the link. We recommend you discuss this vaccination with your child prior to the date of vaccination.

Job Vacancies

Please see our school website for more details on cleaning jobs or contact our admin team.

We care also currently advertising for Teaching and Teaching assistant roles. Information on these can be found at

<https://jobs.wiltshire.gov.uk/>

Please remember we are a no smoking site. Can we also politely request that parents do not smoke while waiting in line at gates to collect their children.

Open days

Do you have a child starting school in September 2023? Or do you know a friend that does?

Would you like a look round to see what we do at Kiwi

Our open day dates are as follows

Monday 17th October 1:30

Wednesday 19th October 9.30

Monday 14th November 1.30pm

Wednesday 30th November 9,30am

No Nuts!

Remember we are a nut free school. We have several people in school with nut allergies. We ask that parents remain vigilant in this and check all packaging for items of food brought into school including things in lunch boxes and sweets for birthdays.

Nuts can easily be brought in by accident in nut spreads and cereal bars, we ask that you support us in checking all items brought into school. . We have had our school nurse in this week delivering epi-pen training. We thank you for your support in this area.

Attendance

School Attendance Award Winners:

Week commencing: 23th September 2022:

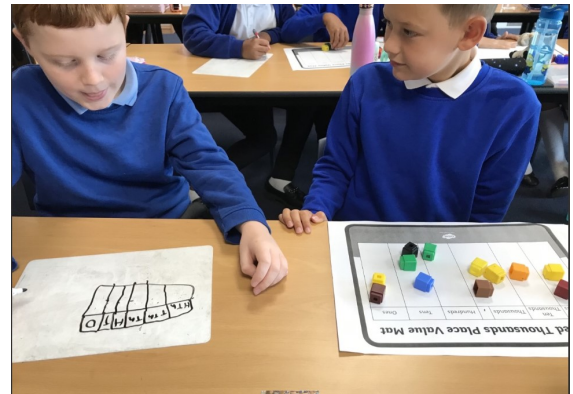

Aratoro — 99.1%

Well done Aratoro

Kiwi Gallery

'In year 4 we have been exploring our new text - 'The Wild Robot' and have designed and built our own robots which interesting features to ensure they can survive the wilderness!

'In year 5 we practiced practical maths with place value! '
