Dear Parents and Carers,

We would like to give you notice to some important key developments for January. As you know, we are rapidly improving our school to meet the needs of our children, and give them a childhood they won't want to forget! One of these plans is a big change to our **lunchtime provision**.

We will be working with a company called OPAL to help us make this change. During a child's seven years at primary school, they will spend 1.4 years of this at 'lunch'. We are going to move to provision-based play for every child, EYFS to Year Six. Quality play improves the cognitive, physical, social, and emotional well-being of children and young people. Through play, children learn about the world and themselves. They also learn skills they need for study, work and relationships such as: confidence.

To find out what this looks like watch this video - <https://www.youtube.com/watch?v=cm7IfAEsjqI>

All children will be mixing together in the hall, KS2 playground and our amazing field. OPAL runs throughout the whole year and therefore we are asking the following;

- All children will need a pair of wellies to be kept in school (Storage is currently being made).
- All children will need some waterproof trousers to be kept in school.
- All children will need a spare change of clothes, in case they opt for a mud slide...

We are sending this letter now so that you have time to source these items.

Waterproof trousers for children can be sourced cheaply from Amazon, Asda, Workwear Express etc.

We would also ask that if you have any spare items that your child/ren have grown out of you think about donating it to us at school.

Also, please do keep your eyes peeled on our Social Media website or Newsletter where we will soon be putting out more pleas for resources (like tyres, water butts, cable reels, scooters) to make this happen.

Thank you so much,

Miss Knappe and Mr HD
