Headteacher: Mrs L Eatherington

Dear parents,

After monitoring the current car parking situation, I am writing to inform you that after half term, week beginning 24<sup>th</sup> February 2025, parents will no longer be able to park in the school car park, without a new pre-agreement from the school.

For those parents who need to request the use of the car park, please speak to Mrs Atkiss, Mrs Edgington-Cole or Mr Haydn-Davies this week.

Parents with a new pre-agreement will need to use the school buzzer at the school gate and office staff will allow those pre-agreed vehicles through the barrier to park in the car park. The current known codes will no longer be in use after half term. Anyone who is not on the pre-agreed list will be refused entry.

If you wish to discuss this further, please speak to either myself, Mrs Edgington-Cole or Mr Haydn-Davies.

Kind regards,

Mrs Atkiss
