Headteacher: Mrs L Eatherington

Dear Parents,

Today, you will receive several important emails from the school. These will include your child's end-of-year school report. If your child is in **Year 1, 4, or 6**, you will also receive a separate email containing the results from their standardised testing.

Later in the day, you will receive another message with a **"Meet the Teacher"** sheet, introducing your child's new class teacher for the upcoming school year.

Please note that at Kiwi, we do not share information about new class teachers with the children until this point in the term. This is because staffing is often finalised later in the term, and we also prefer to share this information just before our **transition days**, which will take place on **Tuesday and Wednesday next week**.

On the transition days, children will begin in their current classrooms for registration and then transition to their new class **for part of the day**. This gives them a chance to meet their new teacher and classmates in a supportive environment.

At Kiwi, we put a great deal of thought into class placements, carefully considering which teacher and peer group will best support each child. While we do our utmost to ensure that every child and family is happy, we also recognise that transitions and change can be challenging for everyone.

We kindly ask for your understanding and support during this time. If you do not receive the expected emails, please check your **junk/spam folders** first. For any queries or concerns regarding the reports, class placements, or transitions, we ask that you wait until **Monday** and then email the school office at admin@kiwi.wilts.sch.uk.

Thank you for your continued support,

Mrs Nicola Wright

Deputy Headteacher
