

Overview of All About Me:

This term will support children to settle into their new setting and enable them to begin to build trusting, positive relationships with their peers and staff. Our theme for this half term is 'All About Me'. We will be exploring through lots of hands on practical learning opportunities and through our play. We will learn about ourselves, our family, our friends and home and school. We will be focusing on learning our new routines and setting our boundaries and expectations for the children supporting their Personal, Social and Emotional development.

Some of the different focuses will be:

- > Birthdays
- > Looking after our bodies—my body, tooth brushing, cleaning hands, going to the toilet.
- > Babies and Children—what did I look like as a baby? What do I look like now?
- > Families—mums, dads, brothers and sisters.
- > Homes— where do we live? Past experiences with our families.
- > Our Friends— who are our friends? Using names.

Our children in Resource Base require a tailored, bespoke offer of learning, which is integrated in supporting their development within the EYFS curriculum. Additionally, children will have daily sessions to support their concentration and focus, communication and interaction and emotional regulation. Additional provision includes:

- > Attention Autism
- > Sensory Story and/or Story Massage
- > Sensory Circuit
- > Pre-Phonics Sessions
- > Life Skills

Alongside these bespoke provisions, our environments enable our learners to succeed with a total communication approach, consisting of objects of reference, core boards, visuals, visual timetable, now and next boards, non-verbal communication approaches including gestures, facial expressions, sign language, and communication boards, including assistive technology. We also use positive touch communication approaches to enable access to learning including story massage. This enables our children to communicate and build upon their language development.

Texts:
