

Overview of Home and Away:

This half term, our learning will be centred around the theme **‘Home and Away’**, explored through rich, practical, and play-based experiences. This unit is designed to develop children’s curiosity, imagination and early understanding of the world through hands-on exploration of the theme *Home and Away*. Children will investigate the fascinating qualities of different places, both familiar and unfamiliar, and the meaningful changes and discoveries that occur as they explore how people live, travel, work and experience their environments. Through sensory exploration and imaginative experiences, children will begin to notice patterns, movement, textures and contrasts between homes, communities and places near and far, sparking a sense of wonder and inquiry. Children will use all five senses to engage deeply with the theme, exploring how different environments look, feel, sound and function, and observing the features that make each place unique. Activities will include role-play, outdoor learning, simple investigations, story sessions, songs and creative tasks. These experiences will help children build confidence in exploring their surroundings while developing an appreciation for their own home environment and respect for diverse places and cultures. Alongside this experiential learning, the unit will gently introduce elements of more formal learning. Children will build early skills in **communication and language** by describing what they observe, in **early literacy** through stories and vocabulary development, in **mathematical thinking** through counting, comparing and sorting, and in **scientific thinking** through observing, questioning and predicting. This approach ensures that children participate in imaginative, hands-on discovery while also developing secure foundations in key learning behaviours.

- **Phonics**- Little Wandle Letter and Sounds SEND Phonics, Phase 2 and 3. The SEND programme has been created to help children learn to read using the right level of challenge for each child and using the graduated approach if needed.
- **English**- This half term children will be engaging in a new way to enjoy English through the **Drawing Club**, with a focus on texts, tales and tv cartoons. **Grandad’s Island, Three Little Pigs, Pingu, He We Are- Notes for living on planet earth, Hansel and Gretel, Old Bear Story, In Every House on Every Street**. Drawing Club is designed to provide a rich, creative environment where children develop communication, collaboration, and cognitive skills through purposeful mark-making and imaginative drawing. The intent is to foster confident talk, vocabulary acquisition, and social interaction while embedding opportunities for literacy and mathematics in a playful, meaningful context. The children will also continue to use Colourful Semantics to support them in identifying key elements of a sentences. Children will also be supported to write simple sentences using Colourful Semantics and sensory prompts. The focus will be on: Letter formation, Phonetic spelling and Grammatical accuracy.
- **Maths**- In mathematics, children studying the Early Years curriculum will focus on key concepts—subitising, counting, ordinality and cardinality, and composition—to ensure children build a deep understanding of numbers and their relationships. The intent is to foster curiosity, confidence, and problem-solving skills that prepare children for future mathematical learning. Children studying the KS1 Curriculum will continue to develop a secure understanding of shapes and fractions, exploring both 2D and 3D shapes and recognising simple fractions such as halves, quarters, and thirds. This unit is designed to support children in developing fluency, reasoning, and problem-solving skills in line with the expectations of the National Curriculum for Mathematics. A CPA (Concrete–Pictorial–Abstract) approach will be used to ensure all learners can access and understand these concepts. Children will engage with a variety of manipulatives such as shape tiles, fraction circles, pattern blocks, and cubes to support conceptual understanding before moving to pictorial and abstract representations.
- **Science**- Children will be taught to describe and sequence the stages in the life cycles of humans, animals, and plants, developing a clear understanding of how living things grow and change over time. They will learn that all organisms have basic needs for survival, including food, water, air, and shelter, and will explore how healthy habits support growth and long-term wellbeing. The children will investigate the importance of nutrition, hygiene, exercise, and rest, recognising how these factors contribute to maintaining a healthy body. The children will apply scientific enquiry skills through practical investigation and structured observation. They will compare life cycles by identifying similarities and differences, and they will learn to group living things according to key characteristics. Children will be encouraged

to ask thoughtful scientific questions and to understand that different types of questions may require different methods of enquiry, such as observation over time or comparative testing.

- **History-** Children will develop their understanding of chronology by ordering photographs on simple timelines and using key terms such as *before* and *after*. They will explore personal history by discussing memories, recognising why these are special, and identifying events they celebrate throughout the year, including birthdays and how they mark them. Through speaking and listening, children will ask questions about different childhoods in the past and compare similarities and differences with childhood today. They will also consider how lives may change in the future. Throughout the unit, pupils will use key vocabulary to describe the past, present, and future and to build secure early historical understanding.
- **Art and Design-** Children will develop their understanding of lines and shapes by exploring how different types of lines connect to form both geometric and organic shapes. They will identify shapes in everyday objects and artwork and use them purposefully when drawing, including creating simple facial features through shape combinations. Children will experiment with pressure to create lighter and darker tones and will begin to express preferences by discussing what they like or dislike in different artworks. Through studying the work of Brianna McCarthy, children will select lines, shapes, and patterns inspired by her style to inform their own creative choices. Throughout the unit, pupils will build confidence in observing, describing, and using visual elements in their artwork.
- **Music-** Children will develop their understanding of how music can communicate ideas, emotions, and narratives. This unit focuses on using instruments to create sound effects and musical motifs that enhance storytelling. The intent is to nurture creativity, listening skills, and expressive performance while introducing key musical concepts such as dynamics, tempo, and timbre.
- **Physical Education-** Children will develop fundamental athletic skills through a range of running, jumping, and throwing activities. They will learn how to move with increasing speed, control, and coordination, and begin to apply simple techniques to improve their performance, such as pacing a run or adjusting their stance for a throw. Children will explore how to use space safely and effectively while working individually, in pairs, and in small groups. They will learn to observe and describe their own and others' performances, identifying one strength and one area for improvement. Throughout the unit, children will build confidence, resilience, and an understanding of how physical activity supports a healthy lifestyle.
- **PSHE- Learn and Thrive- Understanding your emotions-** Children will begin to explore and understand a range of emotions, developing strategies to recognise, express, and manage their feelings in healthy and constructive ways.

Our children in Resource Base require a tailored, bespoke offer of learning, which is integrated in supporting their development within the curriculum. Additionally, children will have daily sessions to support their concentration and focus, communication and interaction and emotional regulation. Additional provision includes:

- Attention Autism- Bucket Time
- Speech and Language Therapy
- Sensory Circuit
- Daily 1:1 reading
- Life Skills
- Child-directed learning
- Enhanced Provision

Alongside these bespoke provisions, our environments enable our learners to succeed with a total communication approach, consisting of objects of reference, Makaton, core boards, visuals, visual timetable, now and next boards, non-verbal communication approaches including gestures, facial expressions, sign language, and communication boards, including assistive technology. We also use positive touch communication approaches. This enables our children to communicate and build upon their language development.

PSED Objectives:

- Engage with others through gestures, gaze and talk.
- Find ways of managing transitions.
- Establish their sense of self.
- Find ways to calm themselves through being calmed and comforted by their key person.
- Play with increasing confidence on their own and with other children, because they feel safe.

PE Objectives:

- To change into PE kit.
- To listen to and respond to instructions.
- To move in different ways.
- To change direction when moving.
- To participate in games.

Literacy Objectives:

- Enjoy songs and rhymes, tuning in and paying attention.
- Join in with songs and rhymes, copying sounds, rhythms, tunes and tempo.
- Say some of the words in songs and rhymes.
- Copy finger movements and other gestures.
- Enjoy sharing books with an adult.
- Pay attention and respond to the pictures or words.
- Develop play around favourite stories using props.
- Enjoy drawing freely.

Communication and Language Objectives:

- Copy your gestures and words.
- Understand single words in context.
- Understand simple instructions such as finished, all gone, no, bye-bye.
- Identify familiar objects and properties when they are described.
- Understands and acts on longer sentences like 'make teddy jump' or 'find your car'.
- Understand simple questions about who, what and where.
- Develop pretend play.
- Listen to other people's talk with interest, but can easily be distracted.

Mallards—Magic

Level 1 (Birth to Three)

Maths Objectives (Number and Matching and Sorting):

- Combine objects like stacking blocks and cups.
- Put objects inside others and take them out again.
- Develop counting-like behaviour, such as making sounds, pointing or saying some numbers in sequence.
- Take part in finger rhymes with numbers.
- Count in everyday contexts, sometimes skipping numbers.
- Climb and squeeze themselves into different types of spaces.
- Build with a range of resources.
- Complete inset puzzles.
- Notice patterns and arrange things in patterns.

Understanding the World Objectives:

- Repeat actions that have an effect.
- Explore materials with different properties.
- Explore natural materials indoors and outdoors.
- Make connections between the features of their family and other families.
- Notice the differences between people.
- Explore how things work.
- Explore collections of materials
(sim/diff)

Expressive Arts and Design Objectives:

- Show attention to sounds and music.
- Respond emotionally and physically to music when it changes.
- Move and dance to music.
- Join in with songs and rhymes, making some sounds.
- Start to make marks intentionally.
- Explore paint, using fingers and other parts of their bodies as well as brushes and other tools.
- Enjoy and take part in action songs, such as 'Twinkle, twinkle Little Star'.
- Start to develop pretend play, pretending that one object represents another.
- Explore different materials using all their senses to investigate them. Manipulate and play with different materials.
- Make simple models which express their ideas.

PSED Objectives:

- Select and use activities and resources with help to achieve a goal or one which is suggested to them.
- Develop sense of responsibility and membership of a community.
- Play with one or more children, extending and elaborating ideas.
- Find solutions to conflicts and rivalries.
- Increasingly follow rules, understanding importance.
- Develop appropriate ways to be assertive.
- Talk with others to solve conflicts.
- Talk about their feelings using words like 'happy'.
- Be increasingly independent in meeting their own care needs.
- Make healthy choices about food, drink, activity and toothbrushing.

Literacy Objectives:

- Understand the five key concepts about print; it has meaning, different purposes, read from IL to R and Top to Bottom, the names of different parts of a book and page sequencing.
- Develop phonological awareness to spot and suggest rhymes, count and clap syllables, recognise words with the initial sound.
- Engage in extended conversations about stories learning new vocabulary.
- Use some of their print and letter knowledge in early writing.
- Write some or all of their name.
- Write some letters accurately.

Communication and Language Objectives:

- Enjoy listening to longer stories and can remember much of what happens.
- Pay attention to more than one thing at a time, which can be difficult.
- Use a wider range of vocabulary.
- Understand a question or instruction that has two parts.
- Understand 'why' questions.
- Sing a large repertoire of songs and know many rhymes.
- Develop their communication, but may have irregular tenses and plurals.
- Develop pronunciation but may have problems saying some sounds.
- Use longer sentences of 4-6 words.

Mallards—Magic

Level 2 (Three to Four)

Maths Objectives (Number and Matching and Sorting):

- Develop fast recognition up to 3 objects.
- Recite numbers past 5.
- Say one number for each item in order.
- Know the cardinal principle, end of counting is total.
- Show finger numbers to 5.
- Solve real world maths problems with numbers up to 5.
- Compare quantities using language 'more than', 'fewer than'.
- Talk about and identify the patterns around them.
- Extend and create ABAB patterns.
- Notice and correct an error in a repeating pattern.

Understanding the World Objectives:

- Use all senses in hands-on experiences of natural materials.
- Explore collections of materials with similarities and differences.
- Talk about what they see, using a wide vocabulary.
- Begin to make sense of their own life story and family's history.
- Explore how things work.
- Develop positive attitudes about the differences between people.

Expressive Arts and Design Objectives:

- Take part in pretend play, using an object to represent something else.
- Begin to develop complex stories using small world equipment.
- Explore different materials freely to develop ideas about how to use them and what to make.
- Develop their own ideas and decide which materials to use.
- Join different materials together.
- Create closed shapes with continuous lines and with detail e.g. a circle representing a face.
- Explore colour and mixing.
- Listen with increased attention to sounds.
- Remember and sing entire songs.
- Play instruments with increasing control to express feelings and ideas.

Communication and Language Objectives:

- Understand how to listen carefully and why listening is important.
- Learn new vocabulary.
- Use new vocabulary through the day.
- Ask questions to find out more and to check they understand what has been said to them.
- Articulate their ideas and thoughts in well-formed sentences.
- Connect one idea or action to another using a range of connectives.
- Describe events in some detail.
- Use talk to help work out problems and organise thinking and activities, and to explain how things work and why they might happen.
- Develop social phrases.
- Engage in story times.
- Listen to and talk about stories to build familiarity and understanding.
- Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.
- Use new vocabulary in different contexts.
- Listen carefully to rhymes and songs, paying attention to how they sound.
- Learn rhymes, poems and songs.
- Engage in non-fiction books.
- Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.

Mallards— Magic

Level 3 (Four to Five Years/Reception)

Maths Objectives (Number and Matching and Sorting):

- Count objects, actions and sounds.
- Subitise.
- Link the number symbol (numeral) with its cardinal number value.
- Count beyond ten.
- Compare numbers.
- Understand the 'one more than/one less than' relationship between consecutive numbers.
- Explore the composition of numbers to 10.
- Automatically recall number bonds for numbers 0-5 and some to 10.
- Select, rotate and manipulate shapes to develop spatial reasoning skills.
- Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can.
- Continue, copy and create repeating patterns.
- Compare length, weight and capacity.

Literacy Objectives:

- Read individual letters by saying the sounds for them.
- Blend sounds into words, so that they can read short words made up of known letter-sound correspondences.
- Read some letter groups that each represent one sound and say sounds for them.
- Read a few common exception words matched to the school's phonic programme.
- Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.
- Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment.
- Form lower-case and capital letters correctly.
- Spell words by identifying the sounds and then writing the sound with letter/s.
- Write short sentences with words with known letter-sound correspondences using a capital letter and full stop.
- Re-read what they have written to check that it makes sense.

PSED Objectives:

- See themselves as a valuable individual.
- Build constructive and respectful relationships.
- Express their feelings and consider the feelings of others.
- Show resilience and perseverance in the face of challenge.
- Identify and moderate their own feelings socially and emotionally.
- Think about the perspectives of others.
- Manage their own needs: personal hygiene
- Know and talk about the different factors that support their overall health and wellbeing:
 1. Regular physical activity
 2. healthy eating
 3. toothbrushing
 4. sensible amounts of 'screen time'
 5. having a good sleep routine
 6. being a safe pedestrian

Expressive Arts and Design Objectives:

- Explore, use and refine a variety of artistic effects to express their ideas and feelings.
- Return to and build on their previous learning, refining ideas and developing their ability to represent them.
- Create collaboratively, sharing ideas, resources and skills.
- Listen attentively, move to and talk about music, expressing their feelings and responses.
- Watch and talk about dance and performance art, expressing their feelings and responses.
- Sing in a group or on their own, increasingly matching the pitch and following the melody.
- Develop storylines in their pretend play.
- Explore and engage in music making and dance, performing solo or in groups.

Mallards—Magic

Level 3 (Four to Five Years/Reception)

PE Objectives:

- Revise and refine the fundamental movement skills they have already acquired:
 1. rolling
 2. crawling
 3. walking
 4. jumping
 5. running
 6. hopping
 7. skipping
 8. climbing
- Progress towards a more fluent style of moving, with developing control and grace.
- Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming.
- Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons.
- Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.
- Combine different movements with ease and fluency.
- Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.
- Develop overall body-strength, balance, co-ordination and agility.
- Further develop and refine a range of ball skills

Understanding the World Objectives:

- Talk about members of their immediate family and community.
- Name and describe people who are familiar to them.
- Comment on images of familiar situations in the past.
- Compare and contrast characters from stories, including figures from the past.
- Draw information from a simple map.
- Understand that some places are special to members of their community.
- Recognise that people have different beliefs and celebrate special times in different ways.
- Recognise some similarities and differences between life in this country and life in other countries.
- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise some environments that are different to the one in which they live.
- Understand the effect of changing seasons on the natural world around
 - Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.
 - Develop the foundations of a handwriting style which is fast, accurate and efficient.
 - Further develop the skills they need to manage the school day successfully:
 1. lining up and queuing
 2. mealtimes

Communication and Language Objectives:

- Understand how to listen carefully and why listening is important.
- Learn new vocabulary.
- Use new vocabulary through the day.
- Ask questions to find out more and to check understanding from what has been said to them.
- Articulate their ideas and thoughts in well-formed sentences.
- Connect one idea or action to another using a range of connectives.
- Describe events in some detail.
- Use talk to help work out problems, organise thinking and explain how things work and why they might happen.
- Develop social phrases.
- Engage in story times.
- Listen to and talk about stories to build familiarity and understanding.
- Retell the story with some repetition and some own words.
- Use new vocabulary in different contexts.
- Listen carefully to rhymes and songs, paying to attention to how they sound.
- Learn rhymes, poems and songs.
- Engage in non-fiction books.
- Listen to and talk about selected non-fiction to develop new knowledge and vocabulary.

PSED Objectives:

- See themselves as a valuable individual.
- Build constructive and respectful relationships.
- Express their feelings and consider the feelings of others.
- Show resilience and perseverance in the face of challenge.
- Identify and moderate their own feelings socially and emotionally.
- Think about the perspective of others.
- Manage their own personal hygiene and health and wellbeing.

Mallards— Magic

Level 4 (ELGs)

Maths Objectives (Number and Matching and Sorting):

- Count objects, actions and sounds.
- Subitise.
- Link the number symbol with its cardinal number value.
- Count beyond ten.
- Compare numbers.
- Understand the one more than/one less than relationship with consecutive numbers.
- Explore the composition of numbers to 10.
- Automatically recall number bonds for numbers 0-5 and some to 10.
- Continue, copy and create repeating patterns.

Understanding the World Objectives:

- Talk about members of their immediate family and community.
- Name and describe people who are familiar to them.
- Comment on images of familiar situations in the past.
- Understand that some places are special to members of their community.
- Explore the natural world around them.
- Describe what they see, hear and feel whilst outside.
- Recognise that some environments are different to the one in which they

Expressive Arts and Design Objectives:

- Explore, use and refine a variety of artistic effects to express their ideas and feelings.
- Return to and build on their previous learning, refining ideas and developing their ability to represent them.
- Create collaboratively, sharing ideas, resources and skills.
- Listen attentively, move to and talk about music, expressing their feelings and responses.
- Sing in a group or on their own, increasingly matching the pitch and following the melody.
- Develop storylines in their pretend play.
- Explore and engage in music making and dance, performing solo or in

Literacy Objectives:

- Read individual letters by saying the sounds for them.
- Blend sounds into words so they can read short words made up of known letter-sounds.
- Read some letter groups that represent one sound and say sounds for them.
- Read a few common exception words.
- Read and re-read simple phrases and sentences made up of words with known letter-sound correspondences and a few exception words.
- Form lower-case and capital letters correctly.
- Spell words by identifying the sounds and then writing the sound.
- Write short sentences with words with known letter-sounds using a capital letter and full stop.
- Re-read what they have written to check that it makes sense.

PE Objectives:

- To change into PE kit.
- To listen to and respond to instructions.
- To move in different ways.
- To change direction when moving.
- To participate in games.

Mallards—Magic Level 5

Speaking and Listening:

Group Discussion and Social Interaction

- Interacts appropriately with an increasing number of children and adults in large and small groups taking turns, sharing sustaining conversation

Grammar and Sentence Building

- Can use long and detailed sentences e.g. 'On Saturday my friend came to my house and we went to the park'.

Listening and Understanding

- Listens attentively as part of a small group and then responds appropriately to questions about why or how, e.g. 'Why does a bird make a nest?', 'How do we copy this picture?'
- Listens to and understands simple instructions about what they are doing, without needing to look at the person speaking.

Verbal Storytelling and Narrative

- Retells favourite stories using some of their own words e.g. '...and she said what a nice mouth you got and the wolf said 'I can eat you''

Strand: Vocabulary

- Knows words can be put into groups (categorised) and can give common examples in them e.g. 'Animals: dog, cat, horse'

Reading Objectives:

Strand: Reading Fluency

- Can read some common exception words (10 year 1 words). S4
- Reads most short vowel CVC without overt sounding and blending.

Strand: Phonics

- Can read accurately by blending the sounds in words with up to five known graphemes. S4
- Can recognise and say up to 10 standard vowel digraphs and use them to read regular words.
- Can blend to read cvc words that include double final consonants i.e. ff, ss, ll,
- Can use phonic knowledge to read simple phonetically regular 2-syllable words (mango).

Strand: Understanding

- Can give a simple description of a character using the text and illustrations for support.
- Can order a sequence of 3 pictures independently from a familiar story they have recently heard.

Writing Objectives:

Strand: Spelling

- Can spell a few common exception words. S4 (10 of the Y1 words).
- Can identify or write 40+ graphemes on hearing the corresponding phonemes. S4
- Can spell words by identifying the phonemes, including words with consonant clusters and simple digraphs (frog, hand, see, chop, splash) S4 e.g. rain, fort, soil, ff, ss, ll, ck
- Can spell simple 2-syllable words e.g. mango

Strand: Composition

- Can make up their own sentences and say them aloud, after discussion with the teacher. S4
- Can write down one of the sentences that they have rehearsed. S4 (which can be read by themselves and others).
- Can re-construct a cut up sentence they have orally composed.

Strand: Punctuation and Grammar

Knows that sentences are demarcated with capital letters and full stops and will use occasionally with adult reminders.

Strand: Handwriting

- Can form most lower-case letters correctly S4
- All lower case letters with only occasional errors).
- Beginning to show consistency in size of letters.

Maths Objectives (Number and Matching and Sorting):

Strand: Number

- Counts, reads and writes numbers in numerals from 0 – 9 S4
- Count to 20, demonstrating that the next number in the count is one more and the previous number one less S4
- Counts in 2's forward and backwards to 10
- Demonstrates that the number of objects remains the same when they are rearranged, providing nothing has been added or taken away S4

Strand: Addition

- Add numbers when solving problems involving 10 objects practically
- Demonstrates an understanding of the composition of numbers to 5 and a developing ability to recall number bonds within 5 (e.g. $2 + 2 = 4$ and $3 + 1 = 4$) S4
- Begins to recognise that addition can be done in any order eg. $3 + 2 = 5$ and $2 + 3 = 5$
-

Strand: Subtraction

- Subtract numbers when solving problems involving 10 objects practically
- Demonstrates an understanding of the composition of numbers to 5 and a developing ability to recall number bonds within 5 (e.g. e.g. $4 - 2 = 2$ and $4 - 3 = 1$) S4
- Begins to understand that subtraction must be completed in order
- Demonstrates an understanding that the total number of objects changes when objects are taken away S4
